Rhode Island's resource for business advocacy, action, progress and policies.

Mission and Vision Statement

Mission Statement

The mission of the Greater Providence Chamber of Commerce is to foster the development of a positive and productive business climate for our community through economic development, business-to-business relationship building and effective public policies and government. The Chamber will help member businesses and organizations of all sizes grow and prosper in Rhode Island. Through its members and with its partners, the Chamber will provide the leadership, energy and resources to help address major community challenges.

Vision Statement

The Greater Providence Chamber of Commerce will be a driving force to make Rhode Island the most competitive state in the Northeast to grow a business and create jobs.
